### C. E. JENKINS FOR ALDERMAN.

Mr. C. E. Jenkins has yielded to the earnest solicitation of many friends and consented to allow the use of his name as a candidate for alderman. His announcement appears in today's issue of The Eagle and is subject to the action of the democratic primary to be held next Tuesday, February 28. Everybody in Bryan knows Charley Jenkins. He was reared here and for years has been a leading contractor and builder of the city. His profession brings him in close touch and sympathy with every labor interest and he has always been the friend and champion of the cause of labor. He has also been a member of the volunteer fire department of Bryan since he was old enough to do a fireman's duty, and it can be truthfully said of him that no member of the company has ever shown greater loyalty, or worked with greater zeal to keep alive interest in the company, and in doing the real work of fire fighting in protecting the homes and property of the people of the city.

Mr. Jenkins is closely identified with every interest of the city; he is thoroughly posted on the needs of the city and is in every way well qualified to discharge the duties of an alderman. He is not a professional office-seeker, but is a candidate at the solicitation of friends, and if the people elect him, he promises to discharge his every duty faithfully and conscientiously to the very best of his ability. The Eagle submits his claims to the voters of the city.

### NEGRO MAN DIED FROM EXPOSURE SATURDAY NIGHT.

A negro man was found dead Sunday morning, who is supposed to have died from exposure Saturday night. He resided on the Little Brazos river, near the farm of Mr. Rabb Higgs, a few miles northwest of Bryan, but his name could not be learned. On Saturday afternoon he left Bryan, together with a party of negroes, in a wagon. When he reached the place where he was to leave the wagon he got out and started to his home. That was the last that was seen of him alive. His family became uneasy on account of his failure to return home and early Sunday morning began a search for him. He was found about noon, dead. It is supposed that he was either sick or that he sat down to rest and fell asleep.

### TEA AND WASHINGTON PARTY.

## HOTEL PROPOSITION SUBMITTED COMMERCIAL CLUB

C. M. Camp, of Navasota, Proposes to Organize Stock Company and Erect Three-Story Building.

At the meeting of the board of directors of the Commercial Club this morning a proposition was submitted by Mr. C. M. Camp, of Navasota, for a new hotel to be built in this city. Mr. Camp's proposition is as follows: To organize a stock company, capitalized at \$25,000, to build a three-story hotel building on the corner of Regent and Anderson streets, the site of the Bonville house. Mr. Camp agrees to take \$5000 of the stock and to lease the hotel for ten years at the following rentals: First year \$1200, second year \$1500, and \$1500 per annum for the remaining part of the ten years.

Mr. Camp asks the assistance of the Commercial Club in organizing the company and is ready to start to work at once. The proposition was thoroughly discussed by the club and a committee, composed of Messrs. Ed Hall and J. W. Batts, was appointed to discuss the matter with Mr. Camp and report at the next meeting of the directors.

### ANNOUNCES FOR ALDERMAN.

By reference to The Eagle's announcement column today will be seen the name of Mr. J. H. Gammon, who announces as a candidate for alderman, subject to the action of the city democratic primary to be held on February 28.

Mr. Gammon is a well known contractor and builder of the city. He announces upon the solicitation of friends, and while not an office-seeker, will appreciate the support of his friends and the people generally. Mr. Gammon has been a close observer for several years of Bryan and its affairs and believes he is in a position to serve the people efficiently as an alderman. He is at least willing to give enough of his time to thoroughly study and understand every question that comes up in managing the affairs of the city and then act upon it in the way that will result in the greatest good to the greatest number. The Eagle commends his candidacy to the consideration of the voters of the city.
